The Exit Programme (Farewell Ceremony) for the B.Sc. Final Year students of the Department of Physics was thoughtfully organized by the Second-Year students on 17th April 2026 at the Electronics ICT Hall of Yeshwant Mahavidyalaya. The event served as a heartfelt occasion to celebrate the journey, achievements, and memories of the graduating students while wishing them success in their future endeavors.

The programme commenced at 2:00 PM with a warm and gracious welcome extended to the final-year students, respected faculty members, and the chief guest Dr Sanjay Jagtap from Department of Marathi, Yeshwant Mahavidyalaya, Nanded. The formal segment began with an inspiring address by the chief guest, who shared valuable insights, life lessons, and motivational thoughts, encouraging students to embrace future challenges with confidence and determination. This was followed by an address from the Head of the Department, who appreciated the efforts and accomplishments of the graduating batch and guided them toward a bright and purposeful future.

Following the formal session, the atmosphere transitioned into a vibrant and engaging celebration. A series of thoughtfully planned activities and games were conducted to strengthen bonds and create joyful moments. One of the most appreciated activities involved recognizing seniors through their childhood photographs, which evoked laughter and nostalgia. Other interactive activities, including tongue twisters, blindfold drawing, dumb charades, and acting-

based guessing games, encouraged enthusiastic participation and added liveliness to the programme.

Refreshments were served to all attendees, providing an opportunity for informal interaction among students and faculty members. The programme further continued with the much-enjoyed “Fishpond” activity, where humorous and light-hearted messages were shared, bringing smiles and enhancing the spirit of togetherness.

As part of the event, special recognitions were conferred to celebrate the individuality and contributions of the students:

- **Mr. Farewell:** Faizan Bhaiya
- **Miss Farewell:** Rutuja Wyavhare
- **Senior of the Year:** Saniya

This recognition added a sense of appreciation and pride to the occasion.

The programme concluded with a sincere vote of thanks, acknowledging the efforts of the organizing team, faculty members, and all participants who contributed to the success of the event. After the formal conclusion, students and teachers cherished the remaining moments by capturing memories through group photographs.

The Exit Programme came to a close at 5:00 PM on a joyful and emotional note. It was a harmonious blend of gratitude, celebration, and reflection—leaving behind cherished memories for both the graduating students and their juniors. The event successfully fulfilled its purpose of honoring the final-year students and marking a meaningful transition in their academic journey.

**Students’ 2Feedback:** As per the discussion with the students, the topic covered was appreciated by all of the students and requested to arrange such talks in the future also.
