

ANALYSIS OF FEEDBACK

Feedback from Stakeholders (Students, Parents, Alumni, Industry) 2017-18

There is a demand for the Value Added Courses to be initiated.

The emphasis is on the extensive use and audio-visual aids in teaching so as to make it interactive and student participative.

Students need to be encouraged for research in the new branches that are emerging and they also should be motivated for research publication. Workshops to be organized on research writing.

Girls/Ladies Room, recreation room for boys, the numbers of wash rooms to be increased.

Student Aid Forum, Earn & Learn Schemes to be more outreaching to the students. Guidance to competitive exams and skill development to be more strengthened.

Linkages with industry to be strengthened.

Recruiting teaching & non-teaching staff for smooth functioning of the college.

Opinion of various stakeholders on overall performance of college on all aspects
