Dear Sir/Madam

Shri Sharda Bhavan Education Society's (SSBES) Yeshwant Mahavidyalaya, Nanded (M.S.) cordially invites academicians, scholars, & researchers of all disciplines/faculties for the One Day National Conference On "Emerging Frontiers in Biosciences: Research Trends and Innovations (EFBRTI 2025)" on October 11, 2025.

About the College:

Shri Sharda Bhavan Education Society laid the foundation of Yeshwant Mahavidyalaya Nanded, in 1963 and ever since, it has emerged as one of the premier institutions of higher learning in the region of Marathwada. The academic programs run by the college are an amalgam of traditional, add-on, need-based and career-oriented courses, taught by a team of experienced and efficient faculty. The college has nineteen research centers in Arts, Commerce and Science disciplines with thirty-eight faculties as research guides guiding hundred and fifty research students on the campus. The college is the study center of YCMOU Nasik for Graduation and Post-graduation Programs.

Yeshwant Mahavidyalaya has a long-standing academic tradition of excellence in research and scholarship. Here in the Yeshwant campus students are groomed for curricular, co-curricular and extracurricular excellence.

The dedication and the teamwork of stakeholders have won several laurels to the institution. The college is identified as **College with Potential for Excellence (CPE)** by UGC New Delhi; received the **Green Champion Award** by MGNCRE, Ministry of Education, Government of India, New Delhi; and has been re-accredited with **"A+" grade (IV Cycle) by NAAC Bengaluru in October 2023**. The college has been awarded the Best College Award, the Best Principal Award, the Best Teacher award and the Best NSS Officer Award by SRTMU, Nanded. The college magazine Yashodeep-has been awarded the 1<sup>st</sup> prize by SRTMU, Nanded, more than a couple of times. The college is the proud recipient of Grants under **PM-USHA Scheme** during 2023-24.

The college is the proud recipient of the Maharashtra State Level first prize, the parent university level first prize and the Nanded district level first prize for the gender equality programs executed on the campus under the Government of Maharashtra activity titled

"Jagar Janivancha". The institution reaches the zenith to receive **The Indira Gandhi Best NSS Program Officer Award** from the hands of **His Excellency, Honorable Shri Pranab Mukherjee** in New Delhi.

About the Department of Zoology:

The Department of Zoology is actively engaged in research. The major areas of research are Applied Parasitology, Fishery Science, Animal Physiology, Entomology. The Department has well equipped research laboratory and other facilities. More than 80 scholars have been awarded Ph.D., and 20 are presently working. 02 major and 04 minor research projects have been completed with funding from UGC, DST-SERB and SRTMUN.

Being supported by 09 fulltime faculty members, the department is continuously active in research publications and also producing reference and text books. The students of the department have maintained our glorious track record of gold medalists and SET/NET/GATE success.

About the PM-USHA Scheme (Pradhan Mantri Uchchatar Shiksha Abhiyan)

Launched in June 2023, PM-USHA is a restructured version of RUSA, aligned with the National Education Policy. Yeshwant Mahavidyalaya, Nanded, has received a ₹5 crore grant under this scheme.

Focus Areas:

Equity, access, and inclusion in higher education  
Quality teaching and learning  
Accreditation and quality assurance  
ICT-based digital infrastructure  
Multidisciplinary education and employability

**Objective:**To enhance the quality of state higher education institutions by promoting standards, accreditation, governance reforms, research, and links with both school education and the job market—paving the way for an *Atma-Nirbhar Bharat*.

About the Conference:

The conference "Emerging Frontiers in Biosciences: Research Trends and Innovations" brings together leading scientists, researchers, and industry experts to explore the latest advancements and transformative trends in the field of biosciences. This event serves as a dynamic platform for sharing cutting-edge research, fostering interdisciplinary collaborations, and discussing innovative solutions to contemporary challenges in areas such as biotechnology, molecular biology, genomics, bioinformatics, and environmental biosciences. With a focus on innovation, sustainability, and translational research, the conference aims to inspire novel approaches and shape the future

direction of bioscience research and its real-world applications.

The Conference will broadly Encompass the following

**Themes:** Applied Biology; Animal Science; Applied Parasitology; Animal Physiology; Entomology and Applied Aspects in Zoology; Ornithology; Neurobiology & Toxicology; Trends in Endocrinology and Metabolism; Fishery Science; Limnology and Plankton Ecology; Systematic Biology; Biodiversity and Wildlife; Flora and Fauna; Environmental Biology; Ethnobotany and its Applications; Forensic Sciences; Palynology; Botany; Microbiology; Biochemistry; Biophysics; Molecular Biology; Bioinformatics; Food and Nutrition; Biotechnology; Nanobiotechnology etc.

Aim & Objectives of the Conference:

1. To offer a platform for academicians across disciplines to share research.
2. To foster connections between research and innovation.
3. To encourage new ideas and mutual respect in a collaborative academic environment.
